

## **Fulton County Employees Retirement System (FCERS)**

### ***Position No. 10 Candidate Biography***

#### **Melvin S. McCammon**

I am Melvin S. McCammon, a retired, 30-year employee of Fulton County. I began my service as a Temporary Employee, in the Tax Commissioners Office in 1985, and retired from the Clerk of Superior Court, in 2014, under the Defined Benefit (Old) Plan.

After raising 3 children (1 son, 2 daughters) to adulthood, I now find I have time to serve, again. It would be an honor to serve my fellow retirees, as I did the citizens of Fulton County.
