BoC Approves 2026 COLA Increase for Pre-1982 retirees

On March 18, the Fulton County Board of Commissioners approved a 3 percent cost-of-living adjustment (COLA) for retirees who participate in plans established prior to 1982.

This group of 123 retirees, who do not typically receive an annual COLA, will see the increase reflected in their benefits effective April 1, 2026.

If you have any questions, please contact the Pension Office at pensionunit@fultoncountyga.gov.
